Billy's same In-house/Take-out menu is fully viewable on our website. Please use same terminology when possible, such as Bacon Avocado Cheeseburger from our Burger page. It also displays your side choices, i.e., French Fries, Coleslaw or Potato Salad and you could substitute a Garden Burger Patty for only an additional 99¢ or have it on a Whole Wheat Bun.

Need more room? Merely use another copy of this form. Change Name #1 to Name #5 and so on... **Please be as** considerate to your Delivery or Pick Up person as you would be to your restaurant server. Pick Up or Delivery is more work, gas, etc.
